LLANFAIRPWLLGWYNGYLLGOGERYCHWYRNDROBWLLLLANTYSILIOGOGOGOCHUCHAF

Llanfairpwllgwyngyllgogerychwyrndrobwllllantysiliogogogoch is a village in Anglesey (Ynys Môn), an island on the north west tip of Wales. It is known locally simply as Llanfairpwll.

The 'uchaf' part of the name refers to the upper village. The length - and somewhat difficulty of pronunciation - of the name has given the village international fame.

The uchaf domains occupy the maximum number of characters allowed for domain names (63), and each therefore qualifies as the **longest *valid* domain name in the world**. It is not possible to register a longer name!
